ALMA MATER

Dear Frederick Hi, within thy walls,
We learn thy truth and loyalty;
And see as time's dim shadow falls
Thy care a guiding hand to be.
Oh Frederick Hi, Dear Frederick Hi,
We raise our happy song to thee
Frederick Hi, Dear Frederick Hi
Thy name a glorious light shall be.

cage league's terburg ripped Amity, 78-59. The results left the Freddies— who now boast 12 straig triumphs after an opening g feat— with four league victo and Howard tie records, Sec league sta he No. And a seed- ame the tour- because a final

boasting a 6-8 had to stage a last to make the Pirates ng an 1-5 first period lead, Danville's at- ack fell apart in the second stanza und Gambier racked up 21 points or a 26-21 halftime margin.

The Blue Devils caught fire in he third period with a 24-point laze to sew up the victory. Chuck Miller, a guard, paced the winners with 20 points, one more than Gam- ier's "old reliable," Grover hrimplin amassed. Hard-working rover owns a 20-point average, with 260 points in 13 contests.

Howard couldn't come close to topping the free-wheeling Freddies but Tuesday night's foe—New Lex- ington St. Aloysius—is expected to make quite a game of it in a clash n the Freddies' court. Jim Tin- all, the county's second highest corer, extended his total to 265 by pacing the Freddies with 20. Paul Gorsuch led Howard with 18.

Jerry Myers enjoyed the best scoring spree of his cage career, 31 points on 13 baskets and five fouls, to guide Centerburg's 78-59 win at Amity. The Trojans stopped Amity's Danny Doup with 15 points but didn't put the game on ice until they produced 27 points in the third quarter.

COME—Learn!"
So said my Lord to me!
And long I tarried in his school,
That I his truth might see.

"Come—Learn!"
I cried at length, "How long?"
And then with tenderness he said,
"Till you learn strength and song!"

"Go—Teach!"
Again his word came swift—
And I awoke from dreams to deeds,
To tell men of his gift!

"Go—Teach!"
And thus his love proclaim,
O'er earth and sea, to man and child,
In every age the same!

"Learn—Teach!"
The cycle endless is!
The more I learn, the more I teach;
The glory ever his!
